

Course Streams by Dash Number

- Students at the high school level have choices in the course stream for core subjects (Example: English 10-1, 10-2)

-Dash 1	-Dash 2	-Dash 3 or 14, 24	-Dash 4
<ul style="list-style-type: none"> These are the academically rigorous course sequences for students with strengths in the subject area. This sequence will meet the requirements for admission to any post-secondary program. 	<ul style="list-style-type: none"> These are less rigorous sequences. This sequence will meet the requirements for admission to many post-secondary programs. <div data-bbox="459 846 952 1225" style="border: 1px solid #00838f; border-radius: 15px; padding: 10px; background-color: #00838f; color: white; text-align: center;"> <p>Keep in mind that achieving a high mark in a –dash 2 may be more beneficial to your post-secondary plans than a mediocre mark in a –dash1.</p> </div>	<ul style="list-style-type: none"> These are sequences for students who plan on taking on an apprenticeship or entering the workplace directly after high school <i>(Note-some apprenticeship programs recommend that students have a more rigorous course stream for specific subjects.)</i> 	<ul style="list-style-type: none"> These courses are available only to the K & E students. They are designed to foster & develop the skills necessary for success in future employment opportunities. This sequence will lead to a Certificate of High School Achievement.

- Unsure of your career plans? Choose the highest stream in which you can be successful.
