

# General Information

Science 10

Science 20

Science 30

Grade 10 courses  
begin with a **1**

Grade 11 courses  
begin with a **2**

Grade 12 courses  
begin with a **3**

- **Pre-requisite**-Some courses have a pre-requisite. This is a prior course that a student must successfully pass before he/she can register for the course.

Example: The Pre-requisite for Science 20 is passing Science 10 with a minimum mark of 50%.

- **Credits**

- Students receive credits for successfully completing a course (minimum mark of 50%)
- Each credit is approximately 25 hours of course work.

Example: Science 10 is a 125 hour course so students receive 5 credits.
